Honorable Judge Chang

I spoke with the lawyer and she went over the documents you sent and pointed out some things that you did and somethings you were patient about and I want to say thank you for being and living up to the honorable name and working with me.

I ask can you give me this last chance to show you I'm 100% ready to proceed with my civil case, and to show you your patience wasn't in vain. Please can you reverse your decision based on mail I haven't received and things I did not know about.

Thank You Honorable Judge Chang
